Dear Kenneth & Jim,

Thank you for your donation of \$100.00 to LifeLine Animal Project on 10/1/2010. Through generous contributions like yours, we are able to provide a safety net for thousands of Atlanta's abandoned dogs and cats and help animals who are most at risk – homeless dogs and cats who need specialized care, medical treatment, or behavioral training before they are ready for homes of their own.

One of our most important programs is our fight against animal cruelty here in Georgia. We take the victims into our care and work with animal control authorities while they pursue charges against the abusers. Additionally, our *LifeLine Spay & Neuter Clinic* is vital to reducing the number of unwanted animals entering Atlanta's shelters by offering low-cost and no-cost services to Atlanta's pet owners and rescue organizations. Likewise, LifeLine's feral and stray cat assistance program—*Catlanta*—offers assistance to those caring for stray and feral cats throughout our community. The only program of its kind in the area, *Catlanta* has provided thousands of kitties with below-cost sterilizations and vaccinations at our clinic.

At LifeLine, every life is precious. Because of the generous support of friends like you, we are able to keep LifeLine's commitment of life, love and care to every homeless animal who comes into our program. If you'd like to find out more about LifeLine Animal Project, please visit our website at www.AtlantaPets.org.

For your records, your contribution is tax-deductible (Federal ID #01-0599278), and this letter confirms that you received no goods or services in exchange for your donation. On behalf of all the animals, thank you for caring!

Sincerely,

Rebecca Guinn
