

NOAH'S ARKSM

"Bringing children and animals together"

Dear Friends At SSL Southern Softpaw League,

Sometimes the simplest way to show appreciation is simply to say "Thank you." I know I've said it before – and it always seem so inadequate. I wish I could just reach out and give you a hug, look you in the eye and tell you "Thank you from the bottom of my heart – for Sharing the Dream of Noah's Ark."

For you truly do "Share the Dream"TM of bringing children and animals together for the rehabilitation of both. You can walk through our habitat any day we are open and you can see the dream in action. You can see children from inner city areas and others who have never gotten close to anything besides a cat or a dog walk around with wonder in their eyes. Or you could see little Daniel* running after our miniature pinscher, Little Man, giggling and forgetting the past that brought him into our care.

So, I won't search for fancy words, Friends At SSL Southern Softpaw League. I'll just simply tell you **Thank You** for loving and giving, for Sharing the Dream.

With all my love,

Jama
